# COUNTRY CANDLE™

## THE ORIGINAL KITTREDGE RECIPE

Hello, I'm Mick Kittredge III, President of the Kringle Candle Company. My family has been in the candle business for over 40 years. You may remember my father, Michael Kittredge II, the founder of the Yankee Candle Company. His passion for fragrance and quality transformed a small basement startup into a highly successful business that became the candle industry model. Many specialty retailers would say "things just aren't the same" or "the candles just don't smell the same anymore." We realized there was a void in the core candle market and this compelled us to begin crafting scented candles once more. Since 2009, we have been the leading manufacturer of our all-white, exquisitely scented Kringle Candle brand. We are continuing to grow to meet our consumer and wholesale needs, and it is my proud honor to introduce you to our all new **COUNTRY CANDLE™**, an exclusive Kittredge Family candle line.

**COUNTRY CANDLE™** is made in the USA incorporating American ingredients and handcrafted from start to finish in Bernardston, MA. This line offers your customers a highly-scented colored candle "the way it used to be." Our commitment to quality, superior fragrance and attention to detail is unequalled. Only the highest quality fragrances make it into our lineup with a fragrance level concentration 27-50% higher than our competition.

### **COUNTRY CANDLE™** offers:

- Original Kittredge Family recipes of yesterday and today
- Over 50 unique fragrances
- The highest quality fragrances
- More fragrance oil per candle
- Clean burning
- 100% American-made
- Commitment to quality, trends & design

As a family-owned business, we are so excited to bring you our new **COUNTRY CANDLE™**. My passion and love for this craft is what drives me to create the world's best scented candles. We emphasize quality above all else. It truly is "The way it used to be."

## MADE IN

# A M E R I C A

At Country Candle, we help create and preserve jobs all over the United States and North America. All of our candles with the Kittredge family recipe fragrances are truly Made in America - proudly poured right here in Western Massachusetts.

Our best selling jars are molded in Ohio, the wicks that create the flame are woven/braided in New Jersey, the wax that fills them is pumped and refined in North America, and the authentic fragrance oils that set Country Candle apart from the crowd are formulated in New Jersey, Florida and other parts of the USA.

Country Candle's unique scents are often based on customer suggestions, and scent labels (designed by our creative team) are printed locally in Massachusetts. From designers to lab testers to production people to packagers, office teams, warehouse staff, truck drivers and more, countless jobs are tied to making and delivering these components. Our team of chandlers puts these domestically-created parts together with pride and precision - bringing you the best candle products - second to none.
